CONFERENCE GOALS

The aim of Christ at the Checkpoint is to provide an opportunity for evangelical Christians who take the Bible seriously to prayerfully seek a proper awareness of issues of peace, justice, and reconciliation. The conference will:

- Empower and encourage the Palestinian church.
- Expose the realities of the injustices in the Palestinian Territories and create awareness of the obstacles to reconciliation and peace.
- Create a platform for serious engagement with Biblical Zionism and an open forum for ongoing dialogue between all positions within the Evangelical theological spectrum.
- Motivate participants to become advocates for the reconciliation work of the church in Palestine/Israel and its ramifications for the Middle East and the world.
